EVORIUM

About us.

EVOREACH INTRODEC PRIVATE LIMITED is a company registered in Odisha for ply, laminates, digital doors, membrane doors and provide services in relation to interior and exterior decoration. Company incorporated under The Company's act 2013 (CIN : U519090R2022PTCO38936)

Evorium is our flagship brand, with a vision of providing quality materials at effective rates without compromising on quality and thickness. We understand the importance of durability and aesthetics in construction, and our products are designed to meet the highest standards while remaining accessible to a wide range of customers.

Product range : We offer a comprehensive selection of plywood, laminates, hardware and door, ensuring our clients access to all the materials they need under one roof.

Door manufacturing : Our in house door manufacturing unit produces high quality doors that combine functionality and with elegant designs.

Laminate distributors : Virgo "ABCO" : Authorised C & F of Virgo "ABCO" for Odisha region.
